

K. MUTHUKUMAR

DATA ANALYTICS

8489048642 | muthukumar19.2006.07@gmail.com

PROFILE

Motivated B.Sc Computer Science graduate with a strong interest in Data Analytics and hands-on learning in Advanced Excel, SQL, Power BI, Tableau, Python and data analysis libraries. Skilled in data cleaning, exploratory data analysis, visualization and dashboard development, with basic knowledge of machine learning. Eager to begin a career as an entry-level Data Analyst and contribute to data-driven business decisions.

EDUCATION

B.Sc Computer Science (2023 – 2026) – Merit Arts and Science College

Affiliated to Manonmaniam Sundaranar University (MSU), Tirunelveli | CGPA: 7+ (Expected)

History of No Arrears

Higher Secondary (12th Standard) – 446 Marks

SSLC (10th Standard) – All Pass

TECHNICAL SKILLS

Data Analytics: Advanced Excel, SQL, Data Cleaning, Exploratory Data Analysis (EDA), Data Visualization, Descriptive Statistics

BI & Visualization: Power BI, Tableau, KPI Dashboards, Pivot Tables, Pivot Charts, Slicers, Basic DAX

Programming & Libraries: Python, Pandas, NumPy, Seaborn, Matplotlib

Database: MySQL, Joins, Subqueries, CTEs, Window Functions, Aggregate Functions

Machine Learning: Machine Learning Basics, Data Preparation, Basic Model Concepts

Tools: MS Office, VS Code

PROJECTS

Mini Project: Student Result Management and Analysis System

Developed a system to manage student academic records and analyze performance data, with focus on organized data storage, reporting and improving data accuracy through database integration.

Mini Project: AI Interview Coach

Developed a concept for an AI-assisted interview preparation tool that helps users practice interview questions, receive structured feedback and improve responses. Focused on organizing interview data and presenting useful performance insights.

Major Project: Smart Taxi Booking System

Designed and developed a web-based taxi booking application with user registration, driver allocation, booking management and fare calculation features.

CORE DATA ANALYTICS SKILLS

Data Cleaning & Preparation • SQL Querying • EDA • KPI Reporting • Dashboard Development • Business Insights • Data Visualization • Excel Analytics • Relational Databases • Analytical Problem Solving

SOFT SKILLS

Quick Learner • Teamwork & Collaboration • Time Management • Problem Solving • Communication Skills – Tamil (Good), English (Intermediate)

CAREER OBJECTIVE

To secure an entry-level Data Analyst / Data Analytics position where I can apply my skills in Excel, SQL, Power BI, Tableau and Python to analyze data, build meaningful dashboards and support data-driven decisions while continuously improving my analytical skills.
